

Job Title: Eco Tented Lodge Development Internship**Location: Cederberg Area & Cape Town, South Africa****Are you a hospitality student with a taste for adventure and a passion for eco-friendly hospitality?**

Join us on an extraordinary journey as we build Yamu, an Eco Tented Lodge in the heart of the pristine Cederberg Area of South Africa. We are seeking enthusiastic interns who are eager to be part of a groundbreaking project, from the ground up, in one of the most breathtaking and remote settings imaginable.

About Us:

- Yamu is embarking on an exciting mission to create a sustainable, eco-friendly haven in the untamed wilderness of the Cederberg Area.
- Our vision is to build a lodge that harmonizes with nature, preserving the environment while providing guests with an exceptional and adventurous experience.

What You'll Experience:

- Be part of the lodge's development from the initial planning stages to its grand opening.
- Work alongside a diverse team of experts in construction, sustainable architecture, and eco-tourism.
- Gain hands-on experience in the design, construction, and operation of an eco-tented lodge.
- Learn how to adapt to and overcome the challenges of building in a remote, rural environment.
- Contribute to the creation of a truly unique and sustainable hospitality destination.

Qualifications:

- Enrolled in a hospitality or hotel management program at a recognized university.
- A strong sense of adventure and a willingness to face challenges head-on.
- Passion for sustainability and a desire to learn about eco-friendly construction and operations.
- Excellent problem-solving and teamwork skills.
- Ability to adapt to changing circumstances and thrive in a dynamic environment.

How to Apply:

If you're ready to embark on a once-in-a-lifetime adventure and gain invaluable experience in creating an eco-tented lodge from scratch, please send your resume and a cover letter expressing your enthusiasm for this unique opportunity to Mechthild Schunke finance@sweetestguesthouses.com. Please include "Eco Tented Lodge Development Internship Application" in the subject line.

Additional Notes:

This internship is open to adventurous individuals from hotel universities in South Africa and around the world who are excited to be pioneers in the creation of an eco-friendly lodge in the wilderness.

Join us in shaping the future of sustainable hospitality and be part of an unforgettable journey in the rugged beauty of the Cederberg Area. We can't wait to welcome you to our team.

This revised advertisement highlights the adventurous and challenging nature of the project, which may attract candidates seeking a truly unique and hands-on experience. Make sure to share it on platforms where adventurous and environmentally conscious students are likely to be looking for opportunities.
